### § 28.13 Permissible activities.

(a) *Applicability of laws—*(1) *General.* Except as otherwise provided by the IBA, other Federal laws or regulations,

or otherwise determined by the OCC, the operations of a foreign bank at a Federal branch or agency shall be conducted with the same rights and privileges and subject to the same duties, restrictions, penalties, liabilities, conditions, and limitations that would apply if the Federal branch or agency were a national bank operating at the same location.

(2) *Parent foreign bank senior management approval.* Unless otherwise provided by the OCC, any provision in law, regulation, policy, or procedure that requires a national bank to obtain the approval of its board of directors will be deemed to require a Federal branch or agency to obtain the approval of parent foreign bank senior management.

(b) *Management of shell branches— (1) Federal branches and agencies.* A Federal branch or agency of a foreign bank shall not manage, through an office of the foreign bank that is located outside the United States and that is managed or controlled by that Federal branch or agency, any type of activity that a United States bank is not permitted to manage at any branch or subsidiary of the United States bank that is located outside the United States.

(2) *Activities managed in foreign branches or subsidiaries of United States banks.* The types of activities referred to in paragraph (b)(1) of this section include the types of activities authorized to a United States bank by state or Federal charters, regulations issued by chartering or regulatory authorities, and other United States banking laws. However, United States procedural or quantitative requirements that may be applicable to the conduct of those activities by United States banks do not apply.

(c) *Additional guidance regarding permissible activities.* For purposes of section 7(h) of the IBA, 12 U.S.C. 3105(h), the OCC may issue opinions, interpretations, or rulings regarding permissible activities of Federal branches.

#### § 28.14 Limitations based upon capital of a foreign bank.

(a) *General.* Any limitation or restriction based upon the capital of a national bank shall be deemed to refer, as applied to a Federal branch or agency,

to the dollar equivalent of the capital of the foreign bank.

(b) *Calculation.* Unless otherwise provided by the OCC, a foreign bank must calculate its capital in a manner consistent with 12 CFR part 3, for purposes of this section.

(c) *Aggregation.* The foreign bank shall aggregate business transacted by all Federal branches and agencies with the business transacted by all state branches and state agencies controlled by the foreign bank in determining its compliance with limitations based upon the capital of the foreign bank. The foreign bank shall designate one Federal branch or agency office in the United States to maintain consolidated information so that the OCC can monitor compliance.

#### § 28.15 Capital equivalency deposits.

(a) *Capital equivalency deposits—(1) General.* For purposes of section 4(g) of the IBA, 12 U.S.C. 3102(g), unless otherwise provided by the OCC, a foreign bank's capital equivalency deposits (CED) must consist of:

(i) Investment securities eligible for investment by national banks;

(ii) United States dollar deposits payable in the United States, other than certificates of deposit;

(iii) Certificates of deposit, payable in the United States, and banker's acceptances, provided that, in either case, the issuer or the instrument is rated investment grade by an internationally recognized rating organization, and neither the issuer nor the instrument is rated lower than investment grade by any such rating organization that has rated the issuer or the instrument; or

(iv) Other assets permitted by the OCC to qualify as CED.

(2) *Legal requirements.* The agreement with the depository bank to hold the CED and the amount of the deposit must comply with the requirements in section 4(g) of the IBA, 12 U.S.C. 3102(g). If a foreign bank has more than one Federal branch or agency in a state, it shall determine the CED and the amount of liabilities requiring capital equivalency coverage on an aggregate basis for all the foreign bank's Federal branches or agencies in that state.
